Jeff and Kris:

We had the Litter Cleanup Restitution Payment as well as a sentencing conditions violation hearing today. The Court imposed a Litter Cleanup Restitution Payment of \$3,888,000 with leave to revisit should the cleanup costs grow to a point where that is necessary. Additionally, the Court found that Mr. Pillon had violated the terms of his sentence by continuing to dispose of materials and deny EPA access to the site. He was sentenced to 30 days in jail and is to report on Monday December 3 by 4:00 pm. Jeff, if you are trying to get in touch with Mr. Pillon he will likely not be able to respond to your emails.

Finally the Court again ordered that EPA is to have access to the site – specifically the Court ordered that EPA (and the county and state) have access to the site to install, maintain and monitor the testing wells. See attached order.

Call me if you have any questions.

Thanks and happy holidays!
